The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the State Road 64 Complete Streets Project in fiscal year 2025. The entity to receive funding for this project is the Town of Georgetown, located at 9111 State Road 64 P.O. Box 172, Georgetown, IN 47122. The funding would be used for the addition of a sidewalk to State Road 64, the main road that goes through Georgetown. The project is an appropriate use of taxpayer funds because it would provide a safe route for residents to walk to places in the community including local schools, parks, and restaurants. Currently, there are multiple barriers to pedestrian travel in Georgetown and very limited safe walking routes around the Town. This project would expand accessibility for residents in the Town of Georgetown.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Erin Houchin  
Member of Congress
